Members may display small table top works, notecards, jewelry, crafts and/or portfolio pieces for sale at the gallery during the Members Show. We are not placing limitations on the number of works so use your judgment. Should we run into space constraints, every attempt will be made to fairly allocate the space. There is no additional fee to display these items, but we request a 30% donation to the roof repair fund on sales. Artists are asked to provide their own portfolio racks or card boxes, if possible.

Please make sure all items are appropriately labelled and listed below.(Use additional pages if necessary)
